- February 18<sup>th</sup> Kindergarten Ends at 12:00pm
- February 21<sup>st</sup> thru 25<sup>th</sup> School Closed – Winter Break
- February 28<sup>th</sup> School Re-Opens

**Director's Corner:**

During the month of February your children may come home saying that had a "special visitor." We are excited about this fun month! After two years of keeping separate and with several changes in staffing, it has been difficult for teachers to truly get to know each other. With two years of each class being separated, so much takes place in the room next door that other teachers miss. We have talked about moving teachers for years to observe and visit in other classrooms and the coordination always got in the way. There is no doubt we can learn so much from each other. This month we will have a daily drawing where one teacher will be assigned to move to a randomly drawn specific classroom. They will get to observe and spend the morning. With fully vaccinated teachers, this can be done safely with current COVID protocol. We will meet in March sharing all the positives each observed happening in other classrooms around the school!

**School News:**

**VALENTINE'S DAY PARTIES:** February is a special month with such focus on kindness, and what it means to be thoughtful throughout the school. We encourage the children to bring a valentine for each of their classmates. Hand-made or the simple store-bought cards are great. Please refrain from sending in gifts for each child. No food or candy, please. The color of the day will be "**RED**." We will see how many of us can find something red to wear that day! Check the school directory for your class list of names.

**REGISTRATION For the 2022-2023:** is almost complete and will be mailed to you shortly. Please refrain from talking to your children about next year's placement. The children need to stay focused on the classes they are currently in. Their concept of time is certainly different from ours and it becomes confusing and can cause undue stress for your little ones. Please know it is not possible to place everyone in their first choice for class placement. I do go back to the wait list continually and will get back to you if I am able to make changes. I am confident that all our classes are committed to providing an excellent experience for your children.

*Happy Valentine's Day*
